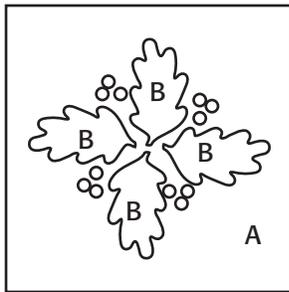

Diagram 1

1. Transfer fusible webbing to the wrong side of leaf fabrics and cut out, using the templates provided in the calendar. Each of the 4 placemats uses one each of the 4 colors. Use the fusible webbing for the 48 berries.
2. Remove paper from behind the shapes and arrange in the center of each cream background square. Fuse in place. Cool.
3. Using a simple zig zag machine stitch (or other preferred stitch), applique the shapes to the cream background "A" square to create the 4 Glory Leaves blocks.
4. Use the matching 3-1/2" x 12-1/2" strips and sew one to two opposing sides to create the placemat (diagram 2)
5. Layer placemat, batting and backing and quilt as desired. Sew the matching 2-1/4" strips together along the short ends to create the matching binding for each block. Fold in half, wrong sides together and use to bind the placemats (Diagram 3).
