

Floral Compass - Mariner's Compass Quilt
All Day Workshop with Debby Kratovil

Quilt Size: 50" x 68"

Compass Block- 16" x 16"

In this workshop, students will conquer their fear of paper piecing because we work with a LARGE block and gentle curves. The center circle is applied in place instead of setting in (yuck!). All instructions are included. There will be a \$4 charge for the pre-printed foundation patterns (25 pages). Select your favorite fabrics in colors you enjoy working with. This is easy enough for Confident Beginners who are comfortable with their sewing machines and can get a true 1/4" seam allowance.

Materials for the 6 block quilt shown above:

- Yardages are based on 42"-wide fabrics.
- Fabric A: 1 yd (mustard color in quilt above)
- Fabric B: 1/2 yd (hot pink in quilt above)
- Fabric C: 1/2 yd (blue print in quilt above)
- Fabric D: 3/4 yd (dark green in quilt above)
