

Sassy Mariner's Compass© by Debby Kratovil

Block Size: 22" Quilt Size: 38" x 38"

Forget traditional colors and fabrics! Pull out your stash of wild and crazy prints and take a dive into the world of paper piecing a LARGE block. Sharp points, gentle curves, even a halo of little triangles make this a block with a lot of punch! If you can sew a straight line and a true 1/4" seam, you can make this. Nothing to fear, everything to learn. This is a TECHNIQUE PACKED workshop with a lot of fun.

Students will receive:

ALL foundations to make the block as shown
Multi-page, well illustrated handout (pattern) with master patterns
Interfacing for center circle; postcard for paper piecing
