

Sassy Mariner's Compass© by Debby Kratovil

Block Size: 22" Quilt Size: 38" x 38"

Forget traditional colors and fabrics! Pull out your stash of wild and crazy prints and take a dive into the world of paper piecing a LARGE block. Sharp points, gentle curves, even a halo of little triangles make this a block with a lot of punch! If you can sew a straight line and a true 1/4" seam, you can make this. Nothing to fear, everything to learn.

There is a pattern/kit fee of \$8 which includes the following:

1 spool of Sulky poly invisible thread for center appliqué (if you don't want it, I'll return \$3.00)

ALL foundations to make the block as shown

Interfacing for center circle; postcard for paper piecing

Freezer paper for center circle and background templates

Students WILL receive a class handout with general instructions and single master patterns (no fee)
