

Snow Crystals & Diamond Head - Your Choice!
 All Day Workshop with Debby Kratovil
 Two Projects from my book "Super Size 'Em Quilts" (April 2009)

Snow Crystals - 33" x 33"
 Block Size: 12"

Diamond Head- 52" x 52"
 Block Size: 17" (Snow Crystals on point)

Both quilts use the very same block. No kidding! In this workshop, students choose which quilt they would like to make. You will have the choice of paper piecing or rotary cutting the blocks (no templates, honest) All instructions are included for the one project you select. You will NOT be required to buy the book to make your quilt. A pattern fee for foundations beyond the single master pattern is \$5.00. If you wish to make your own patterns using needle-punch, purchase a tablet of plain newsprint at the Dollar store.
