Floral Compass quilt designed by Debby Kratovil for Blank Quilting

All seam allowances are 1/4". Please read all directions before beginning and press carefully after each step.

Fabric Requirements:

Royal Version

Fabric A: 3/4 yds of 4368 Loden

Fabric B: 1 yd of 5390 Mustard

Fabric C: 1/2 yd of 5388 Royal

Fabric D: 1/2 yd of 4368 Rose

Fabric E: 1/4 yd of 5389 Royal

Fabric F: 1-3/4 yd of 5387 Royal

Fabric G: 1-1/4 yd of 5391 Royal

1/4 yd lightweight interfacing

Thread to match Fabric E

Sky Version

Fabric A: 3/4 yds of 4368 Latte

Fabric B: 1 yd of 5390 Sky

Fabric C: 1/2 yd of 5388 Yellow

Fabric D: 1/2 yd of 4368 Orange

Fabric E: 1/4 yd of 5389 Sky

Fabric F: 1-3/4 yd of 5387 Peach

Fabric G: 1-1/4 yd of 5391 Sky

1/4 yd lightweight interfacing

Thread to match Fabric E

Preparation:

1. Print or trace paper pieced unit 24 times. (Four units make one Compass Block.) Add 1/4" seam allowance around all sides of the unit. Diagram 1
2. Transfer template markings of the background wedge (Template A) to template material or freezer paper and cut out a full size template. Do the same for the compass center circle (Template B).

NOTE: The finished paper pieced unit is the mirror image of the paper pattern. All patches are cut as rectangles or squares to make the sewing more efficient.

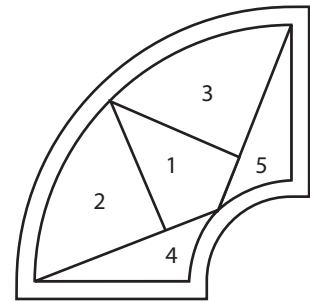

Diagram 1

Cutting Directions:

Fabric A: Cut two 5-1/4" x wof strips; recut into twenty-four 3-1/2" x 5-1/4" rectangles for Patch #1. Also cut two 1-1/2" x wof strips and three 1-1/2" x wof strips for the inner border.

Fabric B: Cut six 5" x wof strips; recut into forty-eight 5" squares for Patches #2 & 3. Cut twelve 2-1/2" squares for the sashings.

Fabric C: Cut two 7" x wof strips; recut into twenty-four 2-1/2" x 7" rectangles for Patch #4.

Fabric D: Cut two 7" x wof strips; recut into twenty-four 2-1/2" x 7" rectangles for Patch #5.

Fabric E: Cut six 6-1/2" squares for the Compass center circle.

Fabric F: Cut four 8-1/2" x wof strips; cut out twenty-four units using Template A. Diagram 2. Also cut six 5" x wof strips for the outer border (will be cut and pieced to fit).

Fabric G: Cut fourteen 2-1/2" x 16-1/2" strips for sashings. Also cut six 2-1/4" x wof strips for binding.

Interfacing: Cut six 6-1/2" squares.

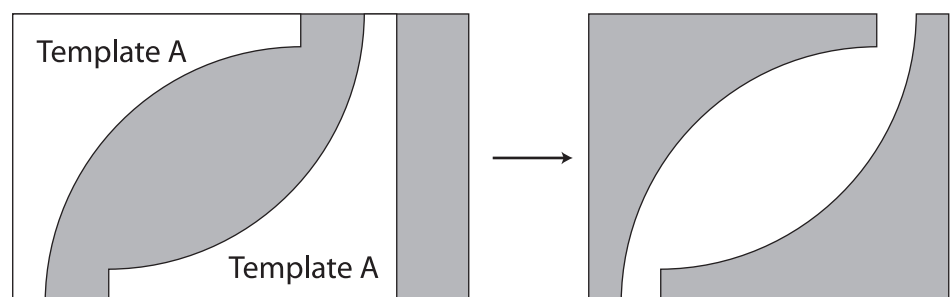

Diagram 2

Block Assembly

1. Paper piece each of the 24 foundation units (1/4 circles). Trim around the outside, leaving 1/4" seam allowance around all sides. Carefully remove the papers and press well. (Diagram 3)
2. Join a paper pieced 1/4 circle to a Template A background fabric piece, carefully aligning the centers and the straight ends, pinning where needed. Creasing the background Template A piece finds the center for alignment. Diagram 4. Press well (Diagram 5).

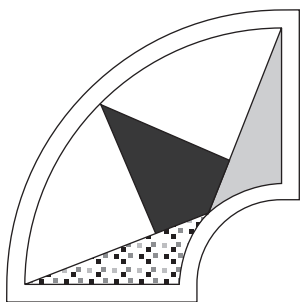

Diagram 3

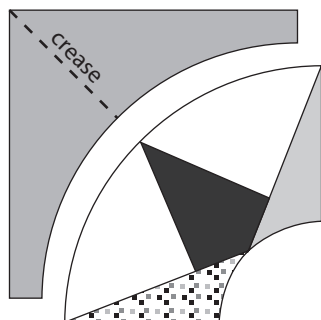

Diagram 4

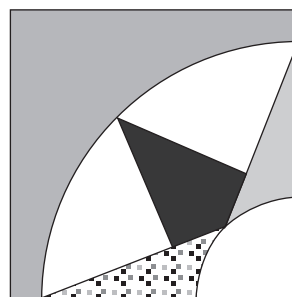

Diagram 5

3. Sew four of the units together to form a full Compass Block (Diagram 6). Make a total of six blocks.
4. Use the Template B circle and transfer markings to the wrong side of each Fabric E square. Place the Fabric E square right side down onto an interfacing square and sew ON the drawn line, around the entire circle. Trim around the sewn line, leaving a 1/8" seam allowance. Clip into the interfacing and turn the faced circle right side out. Smooth the curved edges and press well. Repeat for remaining Fabric E squares, making 5 more compass center circles (Diagram 7).
5. Center the Fabric E circle over the opening at the center of the Compass Block and pin securely. Use your favorite hand or machine appliqué stitch and sew in place. Turn the block over and trim away any excess fabric and interfacing. Make 6 complete blocks in this manner (Diagram 8).

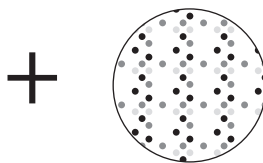

Diagram 7

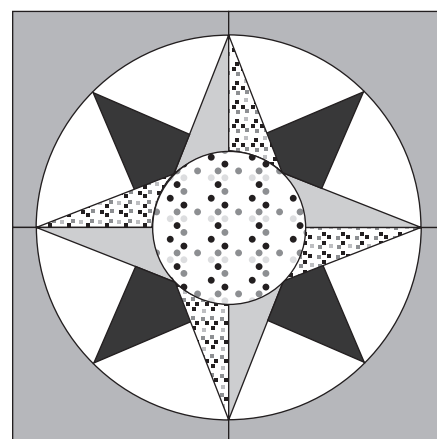

Diagram 8

Sashing Assembly

6. Sew two Fabric G strips with three Fabric B squares, beginning and ending with the Fabric B squares (Diagram 9). Make a total of 3 of these horizontal sashing units.
7. Sew three Fabric G strips with two Compass blocks, beginning and ending with the Fabric G strips (Diagram 10). Make 2 more of these horizontal block rows.

Assembly Diagram

Quilt Top Assembly

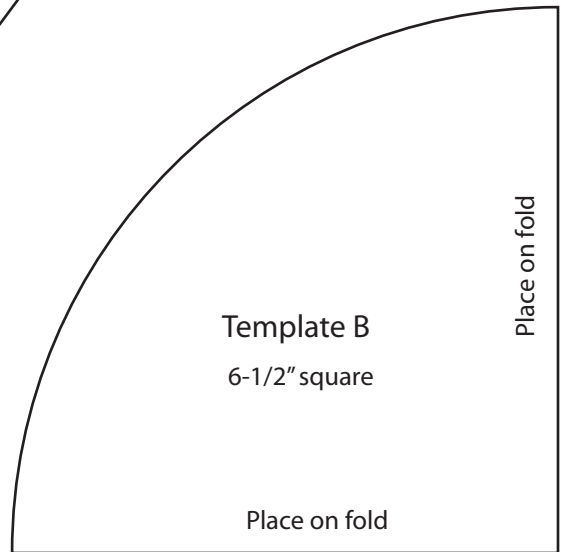

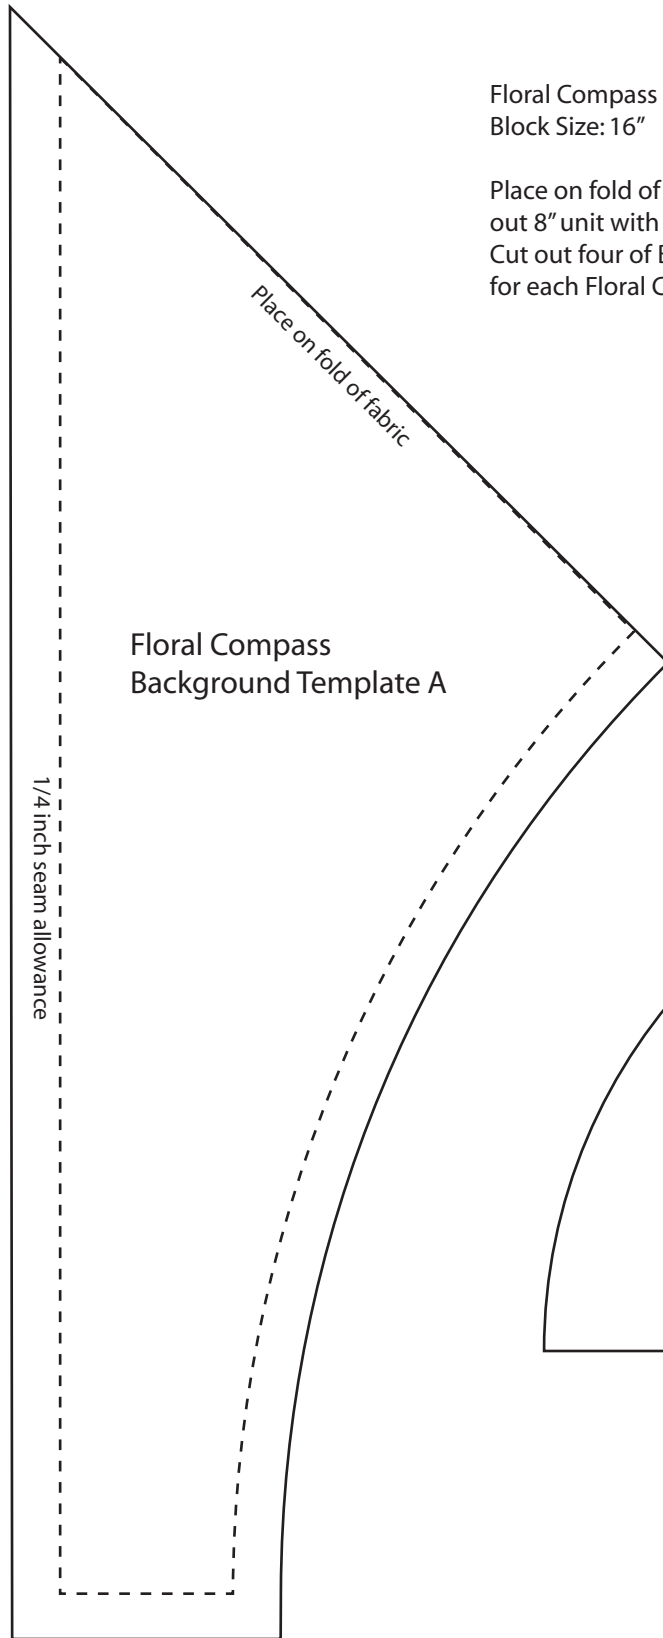

8. Join the Compass block rows with the sashing rows, referring to the quilt photo and the Assembly Diagram.
9. Measure the quilt through the center from side to side and trim two of the Fabric A $1\frac{1}{2}$ " x wof" strips to this width (it should be $38\frac{1}{2}$ ".) Sew to top and bottom of quilt. Measure quilt through the center from top to bottom and piece the remaining three Fabric A $1\frac{1}{2}$ " strips to make one for each quilt side. Sew to sides.
10. Measure quilt again for the top and bottom borders; piece the Fabric F strips to create the border for the quilt top and bottom and sew to quilt. Repeat for the quilt side borders, using the remaining Fabric F strips.
11. Layer and quilt as desired.
12. Piece together the six $2\frac{1}{4}$ " Fabric G strips and use for binding.

Beginner's Mariner's Compass Paper Pieced Unit
Make 4 for each block
