

Bright & Sassy Dogwood Blossom©

Debby Kratovil

6 Hour Class. Advanced Beginner or Intermediate Level. Machine Class.

Dogwood Blossom is paper pieced for precise, really sharp points. While this is not difficult, it does require working with curves. My method DOES NOT involve sewing curves as we will appliqué the curves to the background. The option of making just four blocks is available and we will also discuss several ways to set these blocks for dynamic design possibilities. I include my lesson on how to paper piece curves. Block Size: 7" Quilt Size: 28" x 28"

Multi-page handout with full, illustrated instructions; paper patterns and template.

Fabric Supplies:

- 1/3 yard each of 8 different bright prints (or colors of your choice; select for good contrast)
- 3/4 yard black multi-print - again, select colors of your choice (includes small outer border)
- Invisible, nylon monofilament thread
- Two or three 8-1/2" x 11" sheets of freezer paper
