

Hawaiian Breadfruit©

Reynold's freezer paper is a great source for your template material. The paper side is for drawing and the waxy side will adhere to fabric when ironed in place. The waxy side is placed DOWN on the right side of fabric.

## Hawaiian Breadfruit Block©

as seen in Quilt Magazine Spring 2004

1/8 template

Block Size: 18"

Fold 18" template paper into 8ths and place template on folds as indicated. Cut out template.

1/4" seams included for hand appliqué; remove seams for raw edge machine appliqué.

Transfer template to fabric and carefully cut out. Center appliqué on background square 18-1/2". Pin well. Stitch as desired.
