

## Cookie Cutter Bonanza - with Debby Kratovil

This class is perfect for anyone from Advanced Beginner on. Every 10" block is made from four simple pieces and gives a positive-negative appearance when sewn together. Each student selects ONE basic applique shape - hearts, flowers, leaves, trees, butterflies, etc (there are 11) to work with in class. All of my samples have been created with raw edge techniques. I will show you how to make freezer paper templates with no-fail cutting and piecing. This is fat quarter friendly, produces virtually no fabric waste, and includes a bonus - the extra cutaways can be incorporated into creative borders and alternate blocks! We discuss various setting options.

Visit my web site ([www.quilterbydesign.com](http://www.quilterbydesign.com)) to see more samples from the Cookie Cutter series

**Autumn Leaves - 29 x 34**

2 half-yard cuts plus border

**4 Block Trees - 30 x 30**

**Hearts on Fire - 46" x 63"**

13 Blocks & 4 Half-Blocks  
(2 yd. black, 12 fats, 1/4 yd inner)

### Supplies & Equipment

NOTE: many of my samples were made with batiks. Bring any fabrics you like.

Sewing machine; Basic sewing supplies, scissors, etc

6" x 12" or 6" x 24" ruler AND a 12-1/2" square ruler

Rotary cutter and mat

A zigzag sewing foot, 1/4" sewing foot (or the equivalent)

Neutral Piecing thread; Single color or variegated 40 wt. rayon for topstitch

Starch or sizing (optional, but helpful)

Freezer paper (3 or 4 sheets, 8-1/2" x 11")

Iron and ironing surface (Ratio of 1 set per 4 students)

A set of 2 fat quarters yields 3-4 blocks. 10-1/2" fabric squares work well (2 for each block). Bring a variety. Also, bring fabric for practice and extra for "mistakes."

Borders: Two long quarters (9" x 44") work for a 4 block quilt. You can wait until quilt center is finished and shop later.

Cookie Cutter Bonanza©  
Workshop with Debby Kratovil

Students select one of these 11 Cookie Cutter shapes to work with. All shapes can be cut from a single fabric rectangle cut 5-1/2" or 6" x 10-1/2" The background rectangles are a second cut. This is VERY fat quarter friendly. For a 4-6 block quilt, bring 1/2 yard EACH of two fabrics. For more blocks, bring more fabric. See supply list for more detail. Blocks finish to 10" x 10".
