

QUILTER BY DESIGN

Dear Quilt Shop Owner,

I would like to introduce you to my **BLOCK OF THE MONTH** programs of paper piecing patterns and the Historic Appliqué Sets. Perhaps you are familiar with my designs through Quilt Magazine or on the internet at my website. As an editor with QUILT for 10 years, I have designed hundreds of patterns for quilters of all interests. Many of these paper piecing patterns are also contained on my very popular CDs:

- **The Best of Quilter by Design and Quilt Magazine** (117 patterns)
- **Building Blocks & Borders** (40 border units in 4 sizes each)

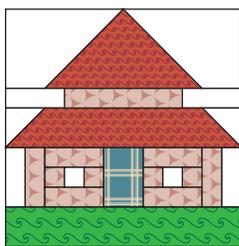

As you can see on the next page, I have six paper pieced themes currently available. You are not limited to the sizes I have produced on my CDs. I can rescale some of the patterns so they are a uniform height. View the other pages on this CD for the historic sets. Pictures of full sets are available upon request.

- What do you get for a flat fee of \$100?
- 12 designs with a permission to make unlimited copies for your customers
- participating in the Block of the Month club
- A notebook with full size patterns, color images of the individual patterns,
- and extra directions to assist beginners with the How-To's of paper piecing
- (This is a shop display to show customers the full set)
- Print ready copies of each pattern for your duplication purposes
- a CD burned with all the print-ready patterns (in pdf) so you take this to a
- local printer for duplication or use it on your own computer printer

You can see all of my sets at my website: <http://www.quilterbydesign.com> You can contact me for a free sample pattern -- either by mail or email. All of my CD files are in Adobe Acrobat pdf which ensures complete accuracy, no matter what the computer platform.

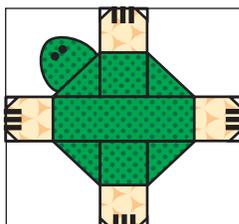

Turn the page and see samples of my paper pieced pattern sets. I'm sure you'll agree that there are some great quilts waiting to happen in your town!

Our Town

This popular paper pieced village is available in the original sizes or scaled to your needs (ie, 6", 8" or even 10" height). This set includes: Barn, Birdhouse, Church, Dog House, Lighthouse, Manor House, My Home, Pet Shop, Salt Box, School House, Town House, Victorian, and Train Station (image to the left).

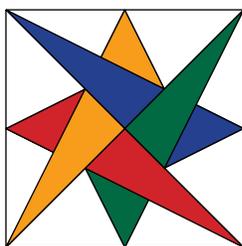

By The Sea

This series boasts 15 patterns. This set includes: Algernon Angel Fish, Bubbles The Balloon Fish, Clipper Ship, Mariner's Compass, Ocean Liner, Sailboats #1-4, Sammy the Striped Bass, Sea Turtle, Sigourney The Starfish, St. John the Monk Fish, Thomas The Tuna, Wee Willie Wiggle Fish.

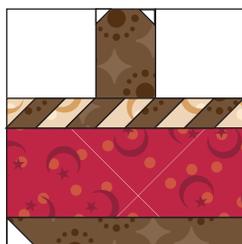

Cheeper By The Dozen #1 & 2

With 25 birdhouse patterns, you'll wonder where to begin! Select 12 of your choice. The names are too numerous to list. Don't let the variety of sizes listed at my website scare you - I am willing to proportionately rescale the patterns up to 10" in height (the tallest allowable print space on a piece of standard size paper).

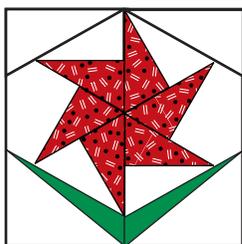

12 Twinkling Stars

A sparkling set of 12 Star Blocks, mostly traditional with a few newcomers. This set includes: Thistle Star, Martha Washington Star, Woven Star, Royal Star, St. Louis Star, Stars & Stripes, Key West Star, July's Summer Sky, Star of Bethlehem, President Carter's Star, Guiding Star, and Laced Star (seen to the left).

Basket Bonanza

There are 16 baskets in this set. Pick 12 - your choice! All are a uniform 6" square. I am willing to rescale up to 7" square (since the printable surface of a sheet of paper is 7" wide). I can also make these smaller. All sixteen patterns can be seen at my website.

20 Flowers (4" & 6")

20 beautiful flower blocks are in this collection. But whatever 12 you select, you're sure to have a winning quilt ready to bloom no matter the season. All are a uniform square in either 4" or 6" finished sizes.
