

## JUNE BUTTERFLY

A butterfly quilt speaks of summertime.

April 22, 1931 - Kansas City Star

This 9 block quilt uses 5 butterfly blocks and 4 plain squares. Cut out nine white 7-1/2" squares, five gold butterflies (seam allowance added), and twenty blue curved triangles. Appliqué the blue triangles to the four corners of five plain squares. Center and appliqué butterfly in each. Join the nine blocks together as shown in quilt diagram.
