

Fabric Stash Blocks

Material must-haves to add to your stash
Brought to you by QUILT Magazine

PLEASE NOTE: This fabric stash block first appeared in the December/January 2007 issue of QUILT magazine. Many fabrics have a shelf life of about 6 months to 1 year. These exact fabrics may not still be available for purchase. Take heart! Your favorite quilt shop can help you select suitable substitutes in colors and patterns that will work just as well to make this block.

Rich Flavors

Souvenir - 10"

Kona Bay - Shibori Collection: L to R: Style #02, Pink, Style #04, Natural, Style #04, Rose: Center: Style #01, Blue

Sometimes I'm ready for a rich meal. I know that the time and effort of putting pattern to cloth is just as detailed as it is in cooking a gourmet dinner. The Shibori Line by Kona Bay Fabrics is just that. I could sit and study for hours the main fabric of gold etched ribbons on a deep blue background. The scattered flowers and fans of pink, green and burgundy can only be appreciated when the fabric is in hand - the print is so large that a small printed image doesn't do it justice. I selected several companion fabrics, two of which I call "blenders." Blenders are the supporting cast that make sure the Star of the Show remains the star! The cream is a MUST have in counterpoint to the mottled burgundy. A smaller gold etched floral print completes my selection. www.konabay.com
